

Mississippi Healthcare Alliance

Saturday, January 26, 2012

7:00 a.m.-3:15 p.m.

Norman C. Nelson Student Union

University of Mississippi Medical Center Campus

2500 N. State Street

Jackson, MS 39216

Systems of Care for STEMI and Stroke

OVERVIEW OF CONFERENCE: This continuing education healthcare conference will bring together the 19 PCI hospitals, non-PCI hospitals, stroke receiving and stroke referral hospitals throughout the state and their respective cardiovascular and neurological clinicians to discuss standardized strategies that bring structure to transportation, treatment, education, and follow-up of heart attack and stroke patients. Members of the MHCA will discuss the relevance of healthcare reform and quality outcomes as each pertains to Mississippi. The goal of this conference is parallel to the vision of the MHCA by reducing morbidity, mortality, and cost associated with cardiovascular disease and stroke patients by improving overall treatment and care through standardized processes.

MHCA MISSION STATEMENT: Improve the health status of Mississippians.

MHCA VISION: Unite healthcare stakeholders to bring about an alignment of efforts that reduce morbidity, mortality, and cost associated with problematic disease processes that plague our community.

ACCREDITATION: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Mississippi State Medical Association through joint sponsorship of St. Dominic Hospital and the Mississippi Healthcare Alliance. St. Dominic Hospital is accredited by the Mississippi State Medical Association to provide continuing medical education for physicians. St. Dominic Hospital designates this live activity for a maximum of 6 AMA PRA Category 1 Credits.TM Physicians should claim only the credit commensurate with the extent of their participation in the activity. St. Dominic Hospital is an Approved Provider of continuing nursing education by the Mississippi Nurses Foundation, Inc., an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Upon completion, this activity has been approved for 6 continuing education hours. CEU application is in progress for EMS providers.

TARGET AUDIENCE: Core group from each PCI center, non-PCI center, and stroke designated hospitals to include:

✓ Administrators	✓ EMS
✓ Cardiologists	✓ Neurologists
✓ Data Collectors	✓ Nurses
✓ Emergency Physicians	✓ Quality Coordinators
